Outage Reporting & Complaint Resolution Process

This document describes the procedures for reporting power/gas outages, lodging service complaints, understanding restoration timelines, and escalating unresolved issues with Deccan Power & Gas Utilities Ltd.

1. Reporting a Power Outage

Outages can be reported through any of the following channels:

Channel	Contact / Details	Availability
24x7 Helpline	1800-XXX-XXXX (Toll Free)	24 hours, 7 days
WhatsApp Helpdesk	+91-XXXXX-XXXXX	24 hours, 7 days
Consumer Portal	www.dpgu-utility.in → Report Outage	24 hours, 7 days
Mobile App	DPGU App → Report Issue	24 hours, 7 days
Divisional Office	In-person at nearest office	10 AM – 5 PM, Mon–Sat
SMS	Send OUTAGE <Consumer No> to 56XXX	24 hours, 7 days

2. Outage Types & Restoration Timelines

Outage Type	Description	Target Restoration Time
Planned Maintenance	Scheduled work — notified 24 hrs in advance via SMS	As per schedule
Feeder-Level Fault	Affects a locality or area	2 – 4 hours
Transformer Fault	Affects a street or housing complex	4 – 8 hours
Underground Cable Fault	Complex repair required	12 – 24 hours
Major Grid Failure	Affects large area or city zone	4 – 12 hours (priority basis)
Individual Connection Fault	Fault inside consumer premises	Consumer responsibility

3. Complaint Categories & Timelines

Complaint Type	Resolution Timeline
Billing dispute / excess bill	5 working days

Meter fault / replacement request	3 working days (inspection) + 7 days (replacement)
New connection request	7 working days (domestic)
Voltage fluctuation complaint	2 working days
Streetlight fault	48 hours
Gas pressure complaint	24 hours
Refund request	7 to 15 working days
Name transfer on account	5 working days

4. Complaint Escalation Hierarchy

If your complaint is not resolved within the committed timeline, you may escalate as follows:

■ Level 1 — Divisional Manager

Contact via consumer portal or visit the divisional office. Resolution within 48 hours.

■ Level 2 — Zonal Superintendent

If unresolved at Level 1. Submit escalation via portal → 'Escalate Complaint'. Resolution within 5 days.

■ Level 3 — Consumer Grievance Redressal Forum (CGRF)

Statutory body. File complaint within 30 days of unresolved issue at Level 2. CGRF hearings are conducted monthly. Orders are binding on the utility.

■ Level 4 — Electricity Ombudsman

If dissatisfied with CGRF order. Must be filed within 60 days of CGRF order.

5. Compensation for Delayed Restoration

Under the Consumer Service Standards (CSS) framework, consumers are entitled to automatic compensation if restoration timelines are missed without valid reason:

- Rs. 50 per hour for every hour of delay beyond the committed restoration time (feeder/transformer faults).
- Maximum compensation per incident: Rs. 500 (domestic), Rs. 2,000 (commercial).
- Compensation is automatically credited to the consumer account within 15 days.
- No claim needs to be filed — compensation is computed from complaint timestamp records.
